SUMMARY

Simon Cullen is a trial attorney at the firm's San Diego office. His practice focuses on general civil litigation, business litigation, public entity liability, construction law, and professional liability. Prior to joining the firm, he worked as a defense attorney representing employers and carriers in federal claims relating to civilian contractor injury or death arising out of United States military efforts.

Mr. Cullen graduated with a Bachelor of Laws Degree (LLB) from Rhodes University, South Africa, and a Master of Laws (LLM) in US Law and Logistics and Transportation Law from Florida Coastal School of Law.
